

Breed Organisation

Breeders

Breeding Organisation

Herdbook
- rules, under which
circumstances animals
are accepted.

Example: Original
Brahmavieh (OB)

closed, both parents
have to be 100% OB

One of the main
tasks of a breeding organisation
is the development and
implementation of the breeding program

Breeding Program - Components

Breed Goal (BG)

Types of BG:

- economic
- biological
- tactical
- ethic

avoid
unethical

Improve
population
with respect
to economic
aspects

sustain rare
breeds

Include of
meat traits

One trait (or a list of traits)
